- Additional tickets for staff are available at a discounted rate.
- **No additional passes will be issued to anyone not actively working a booth.**
- **Only vehicles with proper parking credentials will be allowed in the Swap Meet area in 2026.**

Vendor Check-In & Set-Up

- Passes and tickets will be distributed at **Vendor Check-In on set-up day**.
- **Set-Up: Thursday, June 11, 2026 | 7:00 AM – 4:00 PM**
- Do not plan to arrive early to set up unless **prior arrangements have been made with Bloomington Gold**.

NEW FOR 2026 — IMPORTANT UPDATE REGARDING SUBLEASING

We have removed the **“No Subleasing”** clause from our vendor terms. This means that if a group of friends or vendors would like to be located together, **one person may reserve and pay for multiple booths on behalf of the group**.

Please note: **Booths are not considered reserved until full payment is received**. Space assignments are made in the order that paid reservations are received.

Bloomington Gold reserves the right to relocate vendors and vendor areas as necessary.

Liability & Indemnification

The vendor agrees to indemnify and hold harmless Bloomington Gold Corvettes, its officers, directors, employees, and agents from and against any and all actions, losses, costs, damages, claims, and expenses (including reasonable attorney's fees) arising from damage to property or bodily injury to the exhibitor, its agents, representatives, or employees resulting from the exhibitor's occupancy or use of the exhibition facilities.

Insurance

Each exhibitor must carry its own insurance at its own expense. Bloomington Gold Corvettes assumes no responsibility for the safety of exhibitor property. While Show Management will exercise reasonable care in safeguarding exhibitor materials, exhibitors are responsible for insuring their own property during the event, including coverage for liability, fire, theft, damage, and all other risks.
